EU documents for online sellers: services and prices

For a company in Pakistan that sells, or plans to sell, in the European Union — and for its reseller: every service and the package with its price and order link on one page.

Packages

Service	What it contains	Price
EU Amazon Starter	Amazon seller account document package, EORI number, GPSR responsible person for one product type for the first year, technical file for one product family, labels for one product in up to 10 languages	€1,350 one-time Product with the CE marking: technical file with CE marking instead: + €500 one-time

Single services

Service	What it contains	Price
Amazon seller account document package	Your company and identity documents checked against the account data and prepared for submission	€490 one-time
EORI number	The EORI application prepared, with a guide on how to file it	€150 per company
EU responsible person and authorised representative (GPSR)	We act as your EU authorised representative under a written mandate	One product type: €199 per year Up to three product types: €390 per year Up to six product types: €690 per year High-risk category, per product type: + €150 per year
Technical file for EU product safety (GPSR and CE)	Technical documentation of one product family, drawn up from your product data and test reports	Technical file without CE marking: €490 per product family Technical file with CE marking, up to three legal acts: €990 per product family Each further legal act from the fourth: + €160 per product family
GPSR labels and safety information	Label texts and safety information, ready for your designer or printer	One product, up to five languages: €99 per product One product, up to ten languages: €180 per product Each further language: + €17 per product Each further label variant in the same product family: €49 one-time
VAT number application in another Member State	Completed application, list of annexes, power of attorney and filing guide	€590 per country

Your documents are prepared in 1 to 3 working days after the payment and your documents have arrived.
The price is final. A reseller orders at the same price and adds its own price for its client.
Payment in euro by bank transfer. The account accepts transfers from China, Hong Kong, Singapore, South Korea, Taiwan and Malaysia.

How to order

Choose the package or single services on the order page. You get an order number, the invoice by email and a personal link for uploading your documents.
