Mandate of the authorised representative

Under Article 10 of Regulation (EU) 2023/988 the manufacturer named below appoints LexorcorpGL OÜ, registry code 12306632, Estonia, as its authorised representative for the products named below, for the tasks set out in this mandate.

Manufacturer

Name, address, e-mail	Example Trading Co Ltd, 1 Example Road, Shenzhen, China, info@example.com
Contact person	Example Trading Co Ltd
E-mail	sales@example.com

Products

Product	Desk lamp L1
Brand	Example
Markets	Germany, France; online marketplaces

Tasks of the authorised representative

1. To provide a market surveillance authority, upon its reasoned request, with all information and documentation necessary to demonstrate the safety of the product, in an official language that the authority understands.
2. Where the authorised representative considers or has reason to believe that a product is a dangerous product, to inform the manufacturer.
3. To inform the competent national authorities of any action taken to eliminate the risks posed by the products covered by the mandate, and to cooperate with them at their request.
4. To keep the technical documentation at the disposal of the market surveillance authorities and to check regularly that the product complies with it and carries the required identification, name and address and safety information (Article 16(2)).

SAMPLE

What the manufacturer undertakes

- To give true and complete product data and to tell the representative of every change of the product.
- To hold the test reports and other evidence the technical documentation refers to.
- To put the representative's name and contact details on the product, its packaging, the parcel or an accompanying document (Article 16(3)).
